I understand that my VSP plan will automatically renew after the 18-month coverage expires unless I specifically elect not to renew. VSP is committed to the health of your eyes. Envision a healthier tomorrow today with VSP.

A FOCUS ON HEALTH.

In addition to detecting chronic eye-related diseases through a complete eye exam, VSP doctors can also be the first to notice symptoms of a number of serious medical conditions. Long before potentially devastating and costly complications arise, the following are just a few of the conditions a VSP doctor may be able to detect:

- glaucoma
- cataracts
- diabetes
- high cholesterol
- high blood pressure
- tumors

GREAT SAVINGS.

Without coverage, an eye exam and prescription glasses for just one person can cost \$350 or more. With VSP, you'll get a fully covered exam and glasses or contacts at coverage levels that make the most sense.

PERSONALIZED CARE AND SERVICE.

Enjoy quality, personalized care from neighborhood private-practice doctors you know and trust.

CONVENIENCE.

VSP doctors are close to your home and activities. And, most doctors offer evening and weekend hours and accept drop-ins.

EFFORTLESS BENEFITS.

Simply make an appointment with any VSP doctor you choose and tell them you're a VSP member. That's it! No claim forms, ID cards, or limitations in your eyewear selection.

AUTOMATIC PAYMENT DEDUCTIONS.

Even paying your monthly premium is simple. The cost of your premium will be deducted directly from your state retirement warrant. If you do not have enough in your warrant to cover the cost, we'll bill you directly.

RELIABLE. GUARANTEED!

VSP stands behind your satisfaction. You'll always receive world-class customer service at VSP. If you're not completely satisfied, just let us know and we'll make it right.
